

#ToastyToes Sock Drive

Winter is coming ...
Help us collect 100,000 pairs of socks.

*Socks are the most requested items by shelters,
but they are the least donated.*

**Can you imagine
winter without socks?**

**Thousands of people
don't have a choice.**

*No one should have to suffer our coldest months
without the proper clothing to keep warm, that includes socks.
Chiropractors across Alberta are working to collect
100,000 pairs of socks for those in need.*

**Donations of new pairs and packages of socks are being accepted
at your chiropractor's office until October 1, 2015.**

Socks will be distributed with help from the United Way.
